

TLA 2018 Awards Nominations

Each year the Texas Library Association recognizes contributions and excellence in our profession through the TLA Awards. TLA depends on its members to identify those individuals, organizations, and projects most worthy of recognition for having advanced the cause of Texas Libraries. Please take time to nominate a deserving colleague or submit a nomination for a successful project you think is worthy of being brought into the spotlight.

The 2018 Awards include:

Librarian of the Year Award *Recognizes extraordinary leadership or service within the library community within the past 12-18 months.*

Distinguished Service Award *Recognizes outstanding and continuing service in one or more areas of the library profession.*

Lifetime Achievement Award *Recognizes an exemplary career in librarianship.*

Outstanding Services to Libraries Award *Given to an individual or to an organization in recognition of outstanding lay advocacy.*

Wayne Williams Library Project of the Year Award *Recognizes a project that exemplifies the highest levels of achievement, professional standards, and inspiration to other libraries.*

Libraries Change Communities Award *Given to a collaborative community effort that recognizes positive achievements and promotes outstanding library based initiatives in Texas.*

Benefactor(s) Award *Recognizes substantial donations.*

Complete information about each award and the nomination procedure is available at <http://www.tsla.org/tla-awards>. These awards will be presented at the TLA Annual Conference in April in Austin.

Submitting a nomination is not difficult! Nominations are made entirely online and are open from September 15, 2018 to January 15, 2019.
