

TEXAS LIBRARY ASSOCIATION: BLACK CAUCUS ROUND TABLE

2023 Conference Theme: Libraries Unite!

Austin Convention Center, April 19 – 22, 2022

Sponsorship Opportunities

The Black Caucus Round Table (BCRT) promotes services to African Americans by opening channels of communication among African American librarians in all TLA divisions, round tables, and discussion groups. We are seeking sponsorship opportunities to support our objectives for the 2023 TLA Conference, specifically to help sponsor our legacy Author Session (aka Brunch) and possible original programming.

The support from our sponsors (individuals or corporate) will help host another successful event that will jolt enthusiasm and allow libraries to bring new ideas and perspective to continue the work in our communities. As the mission of the Texas Library Association is “to empower library personnel and supporters to develop library excellence for the people of Texas”, we believe your generous donation will do just that. We thank you in advance for your sponsorship and interest in providing the resources needed for such a worthy cause.
