

# LIBRARIES TRULY★TEXAS

## Social Media Toolkit

A new statewide public opinion poll conducted by KRC Research on behalf of the Texas Library Association confirms what many already see every day: **Texans overwhelmingly value public libraries as essential public services.**

At a time when public discourse has questioned the relevance of libraries and the role of librarians, the data tells a very different story: Texans across political perspectives and demographics strongly support their libraries, trust library professionals, and believe in maintaining broad access to information.

**Show your support for Texas public libraries by sharing how they have supported you or your community on social media!**
