

# Texas Maverick Graphic Novels Reading List

## Policy and Procedures

**Charge** To select a recommended reading list of graphic novels designed for young adults of Texas, grades 6-12, from books published in the two years prior to the list being published and to annotate said list.

**Purpose of the List** The Texas Maverick Graphic Novels Reading List (TMGNRL) is a recommended reading list developed by public and school librarians from the Young Adult Round Table (YART). The purpose of the list is to encourage students in grades 6-12 to explore a variety of current books. The TMGNRL list is intended for recreational reading, not to support a specific curriculum. Due to the diversity of this age range, Texas librarians should purchase titles on this list according to their individual collection policies.

For the purpose of the committee, graphic novels are defined to include trade compilations and original works published in a sequential art format. Such titles should incorporate acceptable literary and artistic quality with effectiveness of presentation.

**Target Audience** The list is prepared for use by students in grades 6-12, and annotations will be written to attract the YA reader.

### **Selection Criteria**

#### **Nomination criteria:**

- The content of the book must be relevant to readers in grades 6-12.
- The book must be relevant in subject, language and age.
- The book must have literary merit and wide appeal.
- The TMGNRL is intended for recreational reading and not to be restricted to supporting a specific curriculum. The list as a whole seeks balance in genre, gender appeal, interest, subject and difficulty.

#### **Books selected for the TMGNRL will:**

- Reflect an integration of images and words
- Exhibit a clarity of visual flow on the page
- Contain images that convey necessary meaning
- Contain outstanding quality of the artwork's reproduction
- Contain narrative that is enhanced by the artwork
- Be comprised of narrative dominated by sequential art component -- at least 50% sequential art

**Eligibility:**

- Books published in the 2 years prior to the publication of the list .
- Books with published scholarly reviews or peer reviews are preferred; however, books for which there are no reviews available may be considered at the discretion of the committee.
- A previous nomination may not be reconsidered .
- Though graphic novels need not be published in the United States, they must be widely available for purchase in the U.S. at the time of consideration.
- Reissues will be considered if there has been significant change to the original content of the work since first issued. Whether or not the changes are significant enough is ultimately determined by the Chair.
- Collections of comic strips will be considered only if they contain an overarching storyline.

**Discussing the List** The TMGNRL committee meets during the TLA Annual Conference, TLA Annual Assembly and in the fall to discuss the nominated books. After observer comments, the Chair will provide each book's nominator with the first opportunity to address that title if he/she so desires. The other members of the committee may be recognized by the chair to contribute to the discussion. Every nominated book is available for discussion. Committee members are asked to focus on the literary and artistic merits of the book, including audience, voice, point of view, genre and readability. The committee may choose to remove a book from the nomination list if it does not meet the committee's standards.

**Comments from Observers** All Committee meetings will be open to TLA members.

Before the committee discusses each nominated title, an opportunity will be given to observers to make short comments, no longer than one minute about the books, but the Chair reserves the right to cut short the discussion if necessary. Observers will not be allowed during the final voting process.

Publishers' representatives are requested to refrain from participating in discussion or asking for comments about their own books.

**Voting Procedures** Final selections are made at the fall meeting. After comments from observers and discussion by the committee members, a vote is taken to determine if a title should be included on the final list.

Observers will not be allowed during the final vote. A title must receive 6 of 9 votes in order to be on the final list.

After the final selection, members of the committee choose the books they will book talk at the Annual Conference. The member will annotate the titles he/she will be presenting and include an interest level -- MS for middle school, HS for high school, A/YA adult book for young adult. These annotations must be submitted to the chair within 2 days of the final meeting.

**Availability of Lists for General Distribution** The list of nominations will be updated monthly. The cumulative list of nominations will be available electronically on the TLA website on a monthly basis. The list of nominations will also be sent to the YART membership electronic distribution list. The final list of nominations will be available after October 1st.

Following its last meeting, the committee will provide the Young Adult Round Table with the final annotated list of selected titles. The YART webmaster will post the list to the TLA website. The chair will post the list to the YART membership electronic distribution list and other distribution lists as appropriate. The administrative assistant will contact the publishers. The list will also be submitted to the Texas Library Journal, the TLACast, and the YA Round Table Revue.
