## **Why Send Your Staff to TLA 2024 Annual Conference**

The Texas Library Association's 2024 Annual Conference in San Antonio offers an unparalleled opportunity for librarians of all levels to learn, network, and discover innovative solutions to propel their libraries forward. With more than 300 education sessions and an exhibit hall featuring hundreds of companies, librarians and library staff can tailor their learning experience.

### **1. Meet Goals**

- With more than 300 education sessions and an exhibit hall featuring hundreds of companies, librarians and library staff can tailor their learning experience to meet their institution's goals and objectives.

### **2. Share the Learning**

- Librarians will come back ready to share what they've learned with their colleagues

### **3. Maximize Their Learning**

- Work with librarians to determine what sessions to attend to maximize learning on key topics

### **4. Discover Something New**

- TLA 2024 is more than just a conference; it's an investment in your employees and your institution's future.

**TLA 2024 is an essential professional development experience your staff simply can't afford to miss!**
