***A CALL TO ACTION!!***

Dear Librarians, Friends, Educators, and Advocates,

The Texas Senate Finance Committee will conduct a hearing on Wednesday, February 4, and will begin consideration of the Texas State Library and Archives Commission's budget.

We need all library advocates to contact their senators and urge them to support libraries! This action is especially critical if your senator serves on the Finance Committee (see the list below). If your senator does not serve on the Committee, we still need you to contact your senator and ask him/her to work with colleagues on the Committee to support libraries.

While both the Senate version (SB 2) and House version (HB 1) of the Appropriations Bill fund the State Library's base budget request, neither chamber approved funding for the agency's request for additional funds for programs, including the two key library programs mentioned below. Securing appropriations for these requests funded is our mission!

## Action Needed: Deliver the Message!

The Message: **Support for the full budget and exceptional items requests of the Texas State Library and Archives Commission (Article I/General Government). We ask you to support the educational and workforce infrastructure in your district by supporting the following library-related initiatives.**

**Shared Digital Content:** \$6.4 million to build digital educational collections. Through TexShare (for public and college library users) & TexQuest (for K-12 public schools), libraries support education and economic development through shared digital content.

This program leverages the purchasing power of the state and reaps enormous savings. A conservative Return on Investment (ROI) for this service shows that, for every \$1 spent, taxpayers gain \$8 of valuable resources.

**Funds for Libraries in Support of Workforce and Economic Development:** \$550,000 to train and help equip libraries of all types to support the Texas workforce. Libraries provide a central path for meeting the state's priorities of establishing educational opportunities, creating a favorable environment for business, and increasing literacy.

Throughout the state, libraries and local Workforce Solutions offices are partnering to meet the demands for worker training programs. However, these efforts are only a fraction of the activity that could be undertaken. With additional training, the State Library can position many of the state's libraries to increase their programming and leverage resources and opportunities.

### About the Hearing

When: Wednesday, February 4<sup>th</sup>  
Time: 9:00 am  
Room: E1.036

The Texas State Library is scheduled 6<sup>th</sup> (out of 8) agencies on the roster for that day. However, the Committee can take agency information in any order.

See the [full agenda](#) for instructions on testimony, etc.

Budget hearings are an interesting process. Often, advocates find themselves listening through hours of testimony, as there is no guaranteed time for agency presentations or public testimony. Changes in scheduling are common. That being said, it is so incredibly important to have advocates who are committed. Nothing is more powerful than persuasive testimony!

We invite you to take part in this exciting democratic process. If you would like to travel to Austin to testify, contact [Gloria Meraz](#).

### **More on Contacting Senators**

1) If you are calling the office:

- Ask to speak to the staff person working on Finance.
- When you get that person, introduce yourself, tell them you are a constituent, and tell them you are calling to ask for the Senator's support of library funding.
- Mention that the State Library's hearing is set for Wednesday, Feb. 4, and you want to speak to them on a couple of library requests: 1) Shared Digital Content (TexShare and TexQuest) and 2) funding for library workforce training.
- You can use the talking points provided here as you cover these issues briefly with the staffer.
- Ask if s/he has any questions and thank them. It's that easy!

### **School Librarian Certification**

The State Board for Educator Certification (SBEC) will meet on March 6, 2015 in Austin. One of the items up for discussion is the certification of school librarians. SBEC members will review the various components of the certification requirements, including the critical element of two years of teaching experience.

TLA's Texas Association of School Librarians (TASL) has been hard at work drafting information for SBEC members. Additionally, TLA worked with SBEC in providing information and support as SBEC gathered school library representatives to discuss the criteria and make recommendations. A taskforce met in November and offered key points for consideration. The TASL and TLA position was conveyed to SBEC in a letter submitted by TASL leaders. See: [School Librarians are Teachers](#).

Agenda information for the March 6 meeting will be available at [the SBEC website](#) along with information on contacting members of the Board.

### **School Library Standards**

The Texas State Library and Archives Commission has been asked to make a presentation on the School Library Standards to the State Board of Education (SBOE). This update will be an agenda item in the regular SBOE meeting scheduled February 11-13, 2015 in Austin. The agenda has not been finalized, and updated information is available at:

[http://tea.texas.gov/About TEA/Leadership/State Board of Education/SBOE - State Board of Education/](http://tea.texas.gov/About%20TEA/Leadership/State%20Board%20of%20Education/SBOE%20-%20State%20Board%20of%20Education/).

TSLAC is working to begin the process of updating the School Library Standards, and as state statute stipulates, the agency must work TEA on the process. The update being presented to the SBOE is an important step in moving the process forward. The School Library Standards were last revised several years ago, and Texas students, teachers, education stakeholders, and librarians will benefit from updated standards reflective of quality school library programs today.

### **February 12, 2015 is VIRTUAL ACTION DAY!**

**Speak out for libraries!** Make Library Virtual Action Day your own. Be as creative as you want! The important thing is to deliver the message: **SUPPORT THE FUNDING REQUESTS FOR STATEWIDE LIBRARY PROGRAMS!** Take the time to contact your state senator and representative on this day. They must hear from you! Tell them about the incredible services your library provides.

Recruit friends to join the effort! Make a commitment to get others involved. Organize a letter-writing campaign, tweet-up, and other virtual campaigns and activities to get people talking about libraries. Have supporters create videos and send links to them to your elected officials. It is particularly important to have administrators, city or county officials, and parents contact elected officials on behalf of libraries and library users.

Please be sure to let TLA know of your activities by posting on our social media platforms. Help us help libraries statewide!

## LEGISLATIVE PRECONFERENCE

### **Taking the Capitol by Storm: Libraries, Legislation, and Leadership (Ticketed)**

9 am - 5pm, Tuesday, April 14

With the 84th Legislature in full swing, join colleagues and experts as you study key library issues and become an articulate and knowledgeable advocate with decision-makers. The first half of the preconference is an intensive training and skill-building workshop.

The second half is an afternoon of actual visits with legislative offices coordinated through TLA. Participants will earn a badge of honor to wear throughout conference. Lunch will be provided. TLA is offering 10 stipends to help new advocates attend this program. See below.

### **Legislative Pre-Conference Stipends**

The TLA Legislative Committee is offering 10 stipends to TLA members to participate in the pre-conference, "Taking the Capitol by Storm: Libraries, Legislation, and Leadership."

These legislative program stipends are designed to help new professionals and recruits to the library community learn about the legislative process and issues. The stipend will cover the registration fee. The applications are due on January 30, 2015.
