**INSTITUTIONAL
MEMBERSHIP BENEFIT PACKAGE:**

Institutional membership in the Texas Library Association is a significant investment in your library’s future. With discounts on products and services, the dollar amount of your library’s annual dues will yield a value that far exceeds the total of your dues payment.

Institutional members receive the following benefits:

- Discounts for legal services with Digital Information Legal Specialist, attorney Gretchen McCord.
- Discounted Directors and Officers Insurance for institutional member libraries.
- Access to GrantStation’s extensive searchable database of funding sources and technical resources for the discounted price of \$79 per year.
- Ability to utilize purchase orders for all TLA financial transactions.
- Access to the online Members Only Directory, a database of librarians and library supporters in Texas.
- Subscriptions to Texas Library Journal, TLACast, and all association mailings.

In addition to the direct benefits to your library, your institutional dues contribute to a strengthened statewide community of libraries that ensures:

- ◇ A persuasive voice for Texas libraries on public policy issues;
- ◇ Demonstrated value of libraries and librarians to stakeholder groups;
- ◇ Leadership opportunities for staff through information sharing and networking; and
- ◇ Mechanisms to highlight and recognize best practices in libraries

Note: No Individual benefits accrue for Institutional membership.
