Working for a nonprofit organization is one of the most selfless, socially conscious choices you will ever make. The time, dedication, and sacrifices made to successfully lead a nonprofit do not go unnoticed. But just like any business, there are risks that can threaten the revenue, reputation, and existence of your nonprofit organization.

Berkley Select, a Berkley Company and leading provider of professional and executive liability insurance, introduces NonProfit ExecShield® - a flexible, custom liability policy designed to protect your nonprofit's individual directors, officers, employees, and assets from expenses arising from allegations of wrongful acts.

BOARD MEMBERS: The ability to attract and maintain qualified board members may depend on the quality of the insurance protection.

BUDGETS: Lawsuits can subject your nonprofit and its directors and officers to costly defense expenses as well as settlements.

REPUTATION: Negative publicity brought about by investigations can lead to a compromised reputation.

WHAT DOES EXECSHIELD® COVER?

DIRECTORS AND OFFICERS LIABILITY: Protects the leaders and the organization from allegations of failing to act in the best interest of the organization.

EMPLOYMENT PRACTICES LIABILITY: Protects the leaders and the organization from employee, volunteer, or client related claims of discrimination, harassment or retaliation type allegations.
