Call for Makers and Innovators!

Share your enthusiasm and projects with librarians from across Texas at the

**TLA INNOVATION LAB at the Texas Library Association Annual Conference**

Come host a demo table! Every year TLA hosts a set of tables where our innovative librarians, makers, and students show off a project, idea or a demo of a successful program or project completed in their own libraries. What have you done that can inspire the creative spark in someone else’s library?

Fill out this [form](#) and send us a proposal by September 17, 2021!

**The 2022 TLA Innovation Lab Exhibition Hours:**

- Tuesday, April 26 10 am to 4 pm
- Wednesday, April 27 10 am to 4 pm
